

Summer Reading 2008

Backyard Bug Songs with

Beverly Meyer, The Music Lady

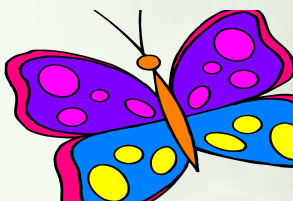

Bring The Music Lady to your Library and this will likely happen...

Children and families will create a music experience through joyful participation, linger through the library to discover more bug facts and sing the BEST bugs songs in town with enthusiasm.

Just listen to what one of our favorite libraries has to say...

"The community benefits from having you visit the library. Your dedication to children, libraries and reading is amazing!"

Kristen Tierney, Canton Public Library
