

In Celebration of this years Summer Reading Program Theme:
CLAWS, PAWS, SCALES, AND TALES

Beverly Meyer, The Music Lady is proud to present:

Pet Shop Palooza!!

The Music Lady has done it again! A new year, a new theme!
There are so many songs about animals that she is very excited
to share them with the preschool and early reader groups at
your library. Perfect for Family Concerts too, this versatile and dynamic
entertainer will bring a smile to everyone in your library! Innovative and
Interactive this show is high in energy and group participation.

Interactive and original songs about our
pets will keep you
laughing and singing all day long!!

We will visit the **MUSICAL PET SHOP**
where children choose the animals in the
window. The songs will be written on the
blanket that each animal is holding. Spe-
cial helpers will help choose the songs and
EVERYONE will be invited to participate
in each **PET SHOP SONG**.
