SUMMER READING PROGRAM 2009

The following list contains the libraries that I will be visiting this summer. The librarians have requested that I not list the specific date and time on my web site. If your local library is on the list, please check Summer Reading Schedule to find out when The Music Lady is performing. Please sign your children up for your local Summer Reading Program. If your favorite branch is not on the list, tell them about The Music Lady and hopefully we will see you there soon! Thanks for your cooperation.
